RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Office Action of March 30, 2005, the Examiner requests that Applicant select one of the following groups for prosecution on the merits:

Group I - Claims 1-48 and 50-53, drawn to a catadioptric projection objective; and

Group II - Claims claim 49, drawn to a projection exposure machine.

In response to the Restriction Requirement, Applicant elects Group I, claims 1-48 and 50-53, for immediate examination. This election is made without traverse.

Applicant reserves the right to file a Divisional Application directed to non-elected claim 49.

In addition, in the Preliminary Amendment filed herewith, Applicant is adding new claim 54, which is drawn to a catadioptric projection objective; and thus should be grouped with Group I and be entitled to immediate examination with claims 1-48 and 50-53.
